About Jelle Luttge

Jelle is an attorney-at-law at AKD who specialises in general administrative law, private law and environmental law. He has a particular interest in energy law and focuses on the legal aspects of the energy transition. Within his areas of expertise, he advises both public authorities and companies.

He also teaches environmental law through the Institute for Construction Law, where he provides education for municipalities, among other organisations.

Jelle holds a Civil Law degree and a Political Science degree from Leiden University.
